SKILLS

Professional

Multi-task & prioritize ability | Detail-oriented | Analytic & Problem solving skills | React Js | Databases | Web & Mobile Applications | HTML | CSS | Javascript
Knowledge in UI/UX | Design | MS Excel | No SQL Databases

Frameworks/Systems

JavaScript | ReactJS | bootstrap | NodeJs | Firebase | Sql Database | Git

Projects

Done Final Year Research namely Correlation of Drillability of rocks to blasting coefficient in Power Cement Ltd quarry. Extensive Projects are related to Cryptocurrency and blockchain projects.

EDUCATION

Mehran University of Engineering & Technology

Bachelor of Engineering
Graduated 2021

- Certificate in Mineral Resource Estimation & Mine Safety Culture Project
- Gained extensive training and successfully accomplished all requirements of the degree with high GPA and Thesis work
- Wrote final paper based on practical case studies
- Training in Mining software Goevia Surpac and Solid 2D.

CERTIFICATIONS

Cisco Certified Network Professional (CCNP)
Cisco Networking Academy. | Issued Sept 2020

Mineral Resources Estimation & Mine Safety Culture project (One CPD)
ORIC, Muet. | December 2019

Certificate Leadership Skills and Altitude Management
MSME Muet. | March 2017

English Language one year programme
Stream Line Institute Hyderabad. | 2014
